Cowboy Up Fundraiser

This event is now sold out yay. Chris J. did a wonderful job with this event in getting donations and setting it up. She recieved over #700.00 dollars in monatarty donations plus prize donations to put this event together. We also recieved the money for the tickets from Chris J. There were some minor details left for this event such as beverage, fliers, pitchers, literature, coolers, and so on. The GLBT Commitee has come together and will be taking care of these few details shortly. When you have finished what you vounteered to do could you please let Chris J. know thank you. Also John, Mike, Marc, Chris M., and myself vounteered to help Chris J. set up for the event. Micheal will be bringing a check for the Purple Onion in the amount of 250.00 dollars to pay for the food. Chris J was reimbursed \$130.00 for decorations.

Gopher State

Gopher State was discussed briefly. Was decided marc will take care of the suite and be reimbursed like in previous years. That the hand outs of literature and rack is stored at park house. That is all that was discussed Bob W. is getting a hold of the event chair for me and seeing how things are coming along.
