Krister sent a report as he was unable to attend. He has had difficulty finding presenters for “Mental Health Issues in Recovery” and “Health Realization and the Twelve Steps.”

- I let the group know that I have invited Dr. Sarah Nowak, a bisexual, to present on Mental Health and she was excited to get involved!
- As for Health Realization, he has not heard back from Eden at Latitudes, we may want to ask Bart R. askbart@gmail.com or 612-978-1015.

Scott advised his proposed speaker (AA/OA) from Vancouver, BC has sent him a demo CD for our approval and he advised that person could stay with him and he'd donate miles.

Nancy and I discussed the issue with the Homewood Suites and the now missing contract. **We are officially looking for a new venue.** If need be, we will downscale the event to fit whatever venue we may find. It will all work out, it's just a pain in the you know where...

Nancy is looking at

- VFW halls
- The Zurah Shrine Center
- Park House [the old venue]
- Hilton Airport this was proposed by Chad who helped us with the Homewood Suites last year
- She will contact Bob W. about the venue he mentioned, we think it was a church...

Bob F. will contact

- Mayflower Church /UCC located at I-35W & Diamond Lake Road in South Minneapolis
- St. Joan of Arc located near I-35W and 46th Street in South Minneapolis [a quite liberal Roman Catholic Parish]

If anyone has other ideas, please filter suggestions through Nancy & Bob and include as much detail as possible like the Name of the venue, address, phone number, contact person, website(if applicable), etc.

**The next meeting will take place on Sunday May 16th at 3:00.
3201 19th Ave. S., Minneapolis, MN 55407 (Michael Bro's house)**
